

**Arf and Running Agility is very excited for their Halloween trial! Our premium is now available, and we are working on fun prizes and gifts for volunteers. Please note, we have a few special rules that will be in place due to the governor's order in place:**

- 1) Participants are limited to 50, so we won't have spectators at this trial. If you have someone coming in to film that is OK, they should plan to hang out in the car or walk the dog outside when you aren't running.
- 2) Participants are expected to wear masks when they are in the arena or walking a course. They are not expected to wear a mask while running their dog.
- 3) Crating space will be extremely limited. Please plan to crate in your car or outdoors if possible. We will do our very best to accommodate everyone but cannot guarantee crating space inside.
- 4) We will have volunteer leash runners but encourage handlers to pocket or wear their leash during their run.
- 5) We will make hand sanitizer available to all participants.
- 6) Results and course maps will be posted using our new Facebook Group: <https://www.facebook.com/groups/397423141247614>
- 7) Briefings will occur digitally. A link will be sent with trial information BEFORE the trial occurs.
- 9) We will have everyone sign a COVID assumption of risk waiver at the trial.
- 10) Please be kind to your trial chair, secretary, and other club members. We will do our very best to run a smooth FUN trial for you! 😊
